INFORMATION COMMON TO ALL SCHEMES

Unit Holders' Information (Contd...)

Alternately, soft copy of the account statements shall be mailed to the investors' e-mail address, instead of physical statement, if so mandated. An Annual Report of the Scheme will be prepared as at the end of each financial year (March 31) and copies of the report or an abridged summary thereof will be mailed to all Unit Holders as soon as possible but not later than 4 months from the closure of the relevant Financial Year. Full portfolio details, in the prescribed format, shall also be disclosed either by publishing it in the newspapers or by sending to the Unit Holders within one month from the end of each half-year and it shall also be displayed on the website of the Fund.

Risk Profile of the Schemes

Mutual Fund Units involve investment risks including the possible loss of principal. Please read the Offer Document/Scheme Information Document carefully for details on risk factors before investment. Scheme specific risk factors are summarized below:

As per SEBI circular no. SEBI/IMD/CIR No. 10/22701/03 dated December 12, 2003, each scheme (including the plans thereunder) should have a minimum of 20 Unit Holders and no single Unit Holder should account for more than 25% of the corpus of such scheme. The aforesaid conditions should be met in each calendar quarter on an average basis. In case of non-fulfilment with the first condition i.e. minimum of 20 investors in the Scheme, for each calendar quarter as specified by SEBI, the Scheme shall be wound up by following the guidelines prescribed by SEBI and Unit Holders' investment in such Scheme would be redeemed at the Applicable NAV. SEBI has further prescribed that if any investor breaches the 25% limit over a quarter, a rebalancing period of one month will be allowed to the investor and thereafter the investor who is in breach of the limit shall be given 15 days notice to redeem his exposure over the 25% limit. In the event of failure on part of the said investor to redeem the excess exposure, the excess holding will be automatically redeemed by the Fund following the guidelines prescribed by SEBI.

Risk Factors pertaining to Equity Schemes

Equity and equity related securities are volatile and prone to price fluctuations on a daily basis. The liquidity of investments made in the Equity Schemes may be restricted by trading volumes and settlement periods. Settlement periods may be extended significantly by unforeseen circumstances. The inability of the Equity Schemes to make intended securities purchases, due to settlement problems, could cause the Equity Schemes to miss certain investment opportunities. Similarly, the inability to sell securities held in the Equity Schemes' portfolios would result at times, in potential losses to the respective Equity Schemes, should there be a subsequent decline in the value of securities held in such Equity Schemes' portfolios.

Investments in equity and equity related securities involve a degree of risks and investors should not invest in Equity Schemes unless they can afford to take the risk of losing their investment.

Securities which are not quoted on the stock exchanges are inherently illiquid in nature and carry a larger liquidity risk in comparison with securities that are listed on the exchanges or offer other exit options to the investors, including put options. The AMC may choose to invest in unlisted securities that offer attractive yields within the regulatory limit. This may however increase the risk of the portfolio.

The liquidity and valuation of the Schemes' investments due to its holdings of unlisted securities may be affected if they have to be sold prior to the target date of disinvestment.

Investments in money market instruments would involve a moderate credit risk i.e. risk of an issuer's liability to meet the principal payments.

Money market instruments may also be subject to price volatility due to factors such as changes in interest rates, general level of market liquidity and market perception of credit worthiness of the issuer of such instruments. The AMC endeavours to manage such risk by the use of inhouse credit analysis. The NAV of Equity Schemes' Units, to the extent that such Schemes are invested in money market instruments, will be affected by the changes in the level of interest rates. When interest rates in the market rise, the value of a portfolio of money market instruments can be expected to decline. The NAV of FIOF will also be affected by Risks associated with investments made in derivatives. The NAV of the Equity Schemes will also be affected by Risk Factors associated with scrip lending and investments in Foreign Securities.

Risk Factors pertaining to Debt Schemes

In addition to the factors that affect the values of securities, the NAV of Units of the Debt Schemes will fluctuate with the movement in the broader fixed income, money market and derivatives market and may be influenced by factors influencing such markets in general including but not limited to economic conditions, changes in interest rates, price and volume volatility in the fixed income markets, changes in taxation, currency exchange rates, foreign investments, political, economic or other developments and closure of the stock exchanges. Further the investments made by the Debt Schemes will also be affected by interest rate/price risk, credit risk or default risk, sovereign risk, liquidity risk, reinvestment risk, settlement risk, risk associated with investment in derivatives and foreign securities.

Additional Scheme Specific Risk Factors

- ◆ **FTAF:** By virtue of requirements under ELSS, Units issued under FTAF will not be redeemed until the expiry of three years from the date of their allotment. The ability of an investor to realise returns on investments in FTAF is consequently restricted for the first three years. Redemption will be made prior to the expiry of the aforesaid three year period only in the event of the death of a Unit Holder, subject to the Units having been held for a period of one year from the date of their allotment.
- ◆ **FMCF & FWBF:** The Scheme's/Plan's performance will be affected by the performance of the underlying schemes and it will be subject to all the risks associated with the underlying schemes and the AMC's decision to choose an underlying scheme may not always be profitable. The investors may incur load on two occasions if the AMC were to charge loads and the underlying schemes do not waive/exempt loads charged by them. Investors will bear the recurring expenses of the scheme in addition to the expenses of the underlying schemes and therefore the returns that they may obtain may be materially impacted or at times may be lower than the returns that they may obtain by investing directly in the underlying schemes.

- Applications for SIP Auto Debit (ECS/Direct Debit) Facility would be accepted only if the Bank Branch listed in Section 4 of this form participates in local MICR/ECS Clearing. In case your bank chooses to cross-verify the Auto Debit mandate with you as the Bank's customer, you would need to promptly act on the same. Fidelity Mutual Fund, its Investment Manager - FIL Fund Management Private Limited, its Registrar and other service providers will not be liable for any transaction failures due to rejection of the transaction by your bank/branch or its refusal to register the SIP mandate or any charges that may be levied by your Bank/Branch on you.
- There has to be a minimum gap of 30 days between the date of your first Sip (through cheque) and your second SIPs (through Auto Debit). While mentioning the SIP Auto Debit period (from) in this form, please take this into account and indicate the correct SIP Auto Debit commencement date. Please refer Note 4 under below to understand this requirement better.

- If you are an existing investor with us and are **currently** availing SIP through Auto Debit (ECS/Direct Debit) Facility, please note the following with respect to this systematic investment that you propose to make in the folio:

- FMF/FFMPL reserves the right not to re-present any mandate for SIP Auto Debit facility if the registration could not be effected in time for reasons beyond its/their control.
- FMF/FFMPL/Trustees to the Fund, its Registrars and other service providers shall not be responsible and liable for any damages/compensation for any loss, damage, etc. incurred/suffered by you as a result of use of this facility.

GUIDELINES FOR FILLING UP THE SIP AUTO DEBIT FACILITY FORM

Note 1 - APPLICANTS' PERSONAL DETAILS

Please furnish the name of all applicants as they appear in the Common Application Form and the Application Number (if this is your first investment in Fidelity Mutual Fund) or Existing Folio (if you hold an existing folio with us).

Note 2 - PAN AND KYC DETAILS

Please furnish PAN for each applicant/unitholder together with an attested copy of PAN Card. If the amount you propose to invest is Rs. 50,000 or more, you need to also enclose a KYC Acknowledgement letter issued by CDSL Ventures Limited for each applicant/unitholder.

Note 3 - DECLARATION AND SIGNATURES

This section needs to be signed by the applicants at the places marked "X" in the same order and manner in which they have signed the Common Application Form.

Note 4 - AUTHORIZATION OF BANK ACCOUNT HOLDER(S)

- Please indicate Folio/Application Number.
- Please furnish your Bank Account details from which the SIP Auto Debit is to be effected. Please note that the sole/first account holder in bank records need not necessarily be the sole/first applicant in the "Applicants' Personal Details" section on this form.
- Please indicate the Bank Account Type.
- It is mandatory to furnish the 9 Digit MICR Code of your Bank in this section.** This is the number appearing next to the cheque number on the MICR band at the bottom of the cheque. **In the absence of this information, your SIP Application would be rejected.**
- Please furnish the following details with respect to your systematic investment:
 - Scheme - Plan - Option.
 - SIP Frequency (Monthly/Quarterly) & SIP Date (1st/10th/15th/25th. You now also have a choice to have SIP instalments on all four dates by ticking the appropriate box).
 - SIP Instalment Amount
 - SIP Auto Debit Period (Auto Debit commencement date and end date). Please refer note (f)

- In order to save you the rigour of sending us renewal instructions each time your SIP expires, Fidelity offers you two ways to invest. If you know how long you wish to invest for, specify your Start Date and End Date. Alternatively, you can choose the open option - where you specify just your Start Date - and discontinue your SIP by writing to us.
- Please note that your **Auto Debit would commence from your second SIP Instalment.** Your first SIP Instalment has to be compulsorily in the cheque mode. E.g., if you are applying for a SIP from 1st January, 2009 till 1st December, 2010, your first SIP instalment of 1st January, 2009 would be through a cheque. Your SIP Auto Debit period, therefore would be from 1st February, 2009 to 1st December, 2010).
- If you have not indicated any of your SIP preferences in the Common Application Form and this Form, the same would be assumed to be as indicated in the second column below:

SIP Auto Debit Period	Six Months
SIP Date	10th of the month (commencing 30 days after the first SIP instalment date)
SIP Frequency	Quarterly

- If the SIP details indicated in this form materially vary from the SIP Details indicated in the Common Application Form, the SIP application would be rejected. Else, the details contained in the Common Application Form would overrule the details contained in this Form.
- Please **enclose a cancelled cheque leaf** of your bank account or alternatively a copy thereof. This would help us cross-verify your bank details appearing in the cheque with the details furnished in this form and let you know of discrepancies, if any, for early corrective action.
- Please mention name of all bank account holders. If the mode of operation of your bank account is joint all bank account holders would need to sign at the places marked XX in the same order and manner in which their signatures appear on bank accounts.
