Scheme Specific Risk Factors

Mutual Fund Units involve investment risks including the possible loss of principal. Please read the Offer Document / SID of the respective Scheme Carefully for details on risk factors before investment. Scheme specific Risk Factors include but are not limited to the following:

Risk factors associated with investing in equities and equity related instruments

- Equity shares and equity related instruments are volatile and prone to price fluctuations on a daily basis. Investments in equity shares and equity related instruments involve a degree of risk and investors should not invest in the Scheme(s) unless they can afford to take the risks.
- Trading volumes, settlement periods and transfer procedures may restrict the liquidity of the investments made by the Scheme(s). Different segments of the Indian financial markets have different settlement periods and such periods may be extended significantly by unforeseen circumstances leading to delays in receipt of proceeds from sale of securities. The NAV of the Units of the Scheme(s) can go up or down because of various factors that affect the capital markets in general.
- As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes and settlement periods, the time taken by the Mutual Fund for redemption of Units may be significant in the event of an inordinately large number of redemption requests or restructuring of the Scheme(s). In view of the above, the Trustee has the right, in its sole discretion, to limit redemptions (including suspending redemptions) under certain circumstances, as described in the Offer Document / Scheme Information Document of the respective Scheme(s).
- Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges. Investment in such securities may lead to increase in the scheme portfolio risk.
- While securities that are listed on the stock exchange carry lower liquidity risk, the ability to sell these investments is limited by the overall trading volume on the stock exchanges and may lead to the Scheme(s) incurring losses till the security is finally sold.
- Investment strategy to be adopted by the Scheme(s) may carry the risk of significant variance between the portfolio allocation of the Scheme(s) and the Benchmark particularly over a short to medium term period.
- At times, due to the forces and factors affecting the capital market, the Scheme(s) may not be able to invest in securities falling within its investment objective resulting in holding the monies collected by it in cash or cash equivalent or invest the same in other permissible securities amounting to substantial reduction in the earning capability of the Scheme(s).

Risk factors associated with investing in Fixed Income Securities

- The Net Asset Value (NAV) of the Scheme(s), to the extent invested in Debt and Money Market securities, will be affected by changes in the general level of interest rates. The NAV of the Scheme(s) is expected to increase from a fall in interest rates while it would be adversely affected by an increase in the level of interest rates.
- Money market securities, while fairly liquid, lack a well developed secondary market, which may restrict the selling ability of the Scheme(s) and may lead to the Scheme(s) incurring losses till the security is finally sold.
- Investment in Debt Securities are subject to the risk of an issuer's inability to meet interest and principal payments on its obligations and market perception of the creditworthiness of the issuer.

- Government securities where a fixed return is offered run price-risk like any other fixed income security. Generally, when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates. The new level of interest rate is determined by the rates at which government raises new money and/or the price levels at which the market is already dealing in existing securities. The price-risk is not unique to Government Securities. It exists for all fixed income securities. However, Government Securities are unique in the sense that their credit risk generally remains zero. Therefore, their prices are influenced only by movement in interest rates in the financial system.
- Different types of fixed income securities in which the Scheme(s) would invest as given in the Offer Document(s) / Scheme Information Document(s) carry different levels and types of risk. Accordingly, the Scheme(s) risk may increase or decrease depending upon its investment pattern. e.g. corporate bonds carry a higher level of risk than Government securities. Further even among corporate bonds, bonds, which are AAA rated, are comparatively less risky than bonds, which are AA rated.
- The AMC may, considering the overall level of risk of the portfolio, invest in lower rated / unrated securities offering higher yields as well as zero coupon securities that offer attractive yields. This may increase the absolute level of risk of the portfolio.
- As zero coupon securities do not provide periodic interest payments to the holder of the security, these securities are more sensitive to changes in interest rates. Therefore, the interest rate risk of zero coupon securities is higher. The AMC may choose to invest in zero coupon securities that offer attractive yields. This may increase the risk of the portfolio.
- Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. The AMC may choose to invest in unlisted securities that offer attractive yields. This may increase the risk of the portfolio.
- Scheme's performance may differ from the benchmark index to the extent of the investments held in the debt segment, as per the investment pattern indicated under normal circumstances. I The Scheme(s) at times may receive large number of redemption requests, leading to an asset-liability mismatch and therefore, requiring the investment manager to make a distress sale of the securities leading to realignment of the portfolio and consequently resulting in investment in lower yield instruments.

Risk factors associated with investing in Foreign Securities (except HDFC Index Fund)

Risk factors associated with investing in Foreign Securities summarized below.

- Currency Risk
- Interest Rate Risk
- Credit Risk

Please read the Offer Document / Scheme Information Document (SID) of the respective Scheme(s) for details.

Risk factors associated with investing in Derivatives

- The AMC, on behalf of the Scheme(s) may use various derivative products, from time to time, in an attempt to protect the value of the portfolio and enhance Unit holders' interest. Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but of the derivative itself. Other risks include, the risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.
- The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

Risk factors associated with investing in Securitised Debt

Risk factors associated with investing in Securitised Debt summarized below.

- Limited Liquidity & Price Risk
- Limited Recourse, Delinquency and Credit Risk
- Risks due to possible prepayments and Charge Offs
- Bankruptcy of the Swap Bank
- Risk of Co-mingling

Please read the Offer Document / Scheme Information Document (SID) of the respective Scheme(s) for details.

Risk Factors specific to HDFC Arbitrage Fund

- The primary objective of the Fund Manager is to identify investment opportunities and to exploit price discrepancies in various markets. Identification and exploitation of the strategies to be pursued by the Fund Manager involve uncertainty. No assurance can be given that Fund Manager will be able to locate investment opportunities or to correctly exploit price discrepancies in the capital markets. Reduction in mis-pricing opportunities between the cash market and Future and Options market may lead to lower level of activity affecting the returns. As the Scheme proposes to execute arbitrage transactions in various markets simultaneously, this may result in high portfolio turnover and, consequently, high transaction cost.
- There may be instances, where the price spread between cash and derivative market is insufficient to meet the cost of carry. In such situations, the fund manager due to lack of opportunities in the derivative market may not be able to outperform liquid / money market funds.
- Though the constituent stocks of most indexes are typically liquid, liquidity differs across stock. Due to heterogeneity in liquidity in the capital market segment, trades on this segment do not get implemented instantly. This often makes arbitrage expensive, risky and difficult to implement.

Risk Factors Specific to HDFC Index Fund

Except for the actively managed part of the SENSEX Plus Plan, the Scheme attempts to track the respective indices and it would primarily invest in the securities included in its Underlying indices regardless of their investment merit. The Scheme may be affected by a general decline in the Indian markets.

The performance of the SENSEX Plus Plan may not be in line with BSE SENSEX as 10-20% of the net assets will be invested in non-index scrips.

Performance of the BSE SENSEX / S&P CNX Nifty Index will have a direct bearing on the performance of the respective Plans. In the event the BSE SENSEX / S&P CNX Nifty, as the case may be, is dissolved or is withdrawn by Bombay Stock Exchange Limited (BSE) / India Index Services & Products Ltd. (IISL) respectively or is not published due to any reason whatsoever, the Trustee reserves the right to modify the respective Plans so as to track a different and suitable index or to suspend tracking the BSE SENSEX / Nifty till such time it is dissolved / withdrawn or not published and appropriate intimation will be sent to the Unit holders of the respective Plans. In such a case, the investment pattern will be modified suitably to match the composition of the securities that are included in the new index to be tracked and the respective Plans will be subject to tracking errors during the intervening period.

Tracking errors are inherent in any index fund and such errors may cause the respective Plans to generate returns which are not in line with the performance of the BSE SENSEX / S&P CNX Nifty or one or more securities covered by / included in the BSE SENSEX / S&P CNX Nifty and may arise from a variety of factors including but not limited to:

- Any delay in the purchase or sale of shares due to illiquidity in the market, settlement and realisation of sales proceeds, delay in credit of securities or in receipt and consequent reinvestment of dividends, etc.
- The indices reflect the prices of securities at a point in time, which is the price at close of business day on Bombay Stock Exchange Limited (BSE) / National Stock Exchange of India Limited (NSE). The respective Plans, however, may trade these securities at different points in time during the trading session and therefore the prices at which the respective Plans trade may not be identical to the closing price of each scrip on that day on the BSE / NSE. In addition, the respective Plans may opt to trade the same securities on different exchanges due to price or liquidity factors, which may also result in traded prices being at variance, from BSE / NSE closing prices.
- IISL undertakes periodic reviews of the fifty securities that are represented in the Nifty and from time to time may exclude existing securities or include new ones. Similarly, the BSE may exclude existing securities or include new ones. In such an event, the respective Plans will endeavor to reallocate its portfolio to mirror the changes. However, the reallocation process may not occur instantaneously and permit precise mirroring of the BSE SENSEX / Nifty during this period.
- The potential of trades to fail may result in the respective Plans not having acquired the security at the price necessary to mirror the index.
- Transaction and other expenses, such as but not limited to brokerage, custody, trustee and investment management fees.
- Being an open-ended scheme, the respective Plans may hold appropriate levels of cash or cash equivalents to meet ongoing redemptions.
- The respective Plans may not be able to acquire or sell the desired number of securities due to conditions prevailing in the securities market, such as, but not restricted to: circuit filters in the securities, liquidity and volatility in security prices.

Due to the reasons mentioned above and other reasons that may arise, it is expected that the Nifty Plan and the SENSEX Plan may have a tracking error in the range of 2-3% per annum from their respective Benchmarks. However, it needs to be clearly understood that the actual tracking error can be higher or lower than the range given.

In case of investments in derivatives like index futures, the risk reward would be the same as investments in portfolio of shares representing an index. However, there may be a cost attached to buying an index future. Further, there could be an element of settlement risk, which could be different from the risk in settling physical shares and there is a risk attached to the liquidity and the depth of the index futures market as it is relatively new market.

Risk Factors Specific to HDFC Premier Multi-Cap Fund

While mid cap stocks give one an opportunity to go beyond the usual large blue chip stocks and present possible higher capital appreciation, it is important to note that mid cap stocks can be riskier and more volatile on a relative basis. Therefore, the risk levels of investing in mid cap stocks is more than investing in stocks of large well-established companies. It should be noted that over a time, mid cap and large cap stocks have demonstrated different levels of volatility and investment returns. And it is important to note that generally, no one class consistently outperforms the others.

Risk Factors Specific to HDFC Long Term Advantage Fund and HDFC TaxSaver

Units purchased cannot be assigned / transferred / pledged / redeemed / switched out until completion of 3 years from the date of allotment of the respective Units. The AMC reserves the right to change the Lock-in Period prospectively from time to time to the extent permitted under the Equity Linked Savings Scheme (ELSS), 1992 as amended from time to time.

7. E-mail Communication

Account Statements / Newsletters / Annual Reports / Other statutory information (as may be permitted under SEBI (Mutual Funds) Regulations, 1996) can be sent to each Unit holder by courier / post / e-mail.

Unit holders who have opted to receive these documents by e-mail will be required to download and print the documents after receiving e-mail from the Mutual Fund. Should the Unit holder experience any difficulty in accessing the electronically delivered documents, the Unit holder shall promptly advise the Mutual Fund to enable the Mutual Fund to make the delivery through alternate means. It is deemed that the Unit holder is aware of all security risks including possible third party interception of the documents and contents of the documents becoming known to third parties.

The Newsletter, shall be displayed at the website of the Mutual Fund. The Unit holders can request for a copy of the Newsletter by post / e-mail. The AMC would arrange to dispatch these documents to the concerned Unit holder.

8. Mode of Payment of Redemption / Dividend Proceeds via Direct Credit / NEFT / ECS

• Direct Credit

The AMC has entered into arrangements with eleven banks to facilitate direct credit of redemption and dividend proceeds (if any) into the bank account of the respective Unit holders maintained with any of these banks. These banks are: ABN AMRO Bank N.V., Axis Bank Ltd., Citibank N.A., Deutsche Bank AG, HDFC Bank Limited, The Hongkong and Shanghai Banking Corporation, ICICI Bank Limited, IDBI Bank Limited, Kotak Mahindra Bank Ltd., Standard Chartered Bank and YES Bank Limited. The list of banks is subject to change from time to time.

• National Electronic Funds Transfer (NEFT)

The AMC provides the facility of 'National Electronic Funds Transfer (NEFT)' offered by Reserve Bank of India (RBI), which aims to provide credit of redemption and dividend payouts (if any) directly into the bank account of the Unit holder maintained with the banks (participating in the NEFT System). Unit holders can check the list of banks participating in the NEFT System from the RBI website i.e. www.rbi.org.in or contact any of our Investor Service Centres.

However, in the event of the name of Unit holder's bank not appearing in the 'List of Banks participating in NEFT' updated on RBI website www.rbi.org.in, from time to time, the instructions of the Unit holder for remittance of redemption/ dividend (if any) proceeds via NEFT System will be discontinued by HDFC Mutual Fund / HDFC Asset Management Company Limited without prior notice to the Unit holder and the payouts of redemption / dividend (if any) proceeds shall be effected by sending the Unit holder(s) a cheque / demand draft.

For more details on NEFT or for frequently asked questions (FAQs) on NEFT, Unit holders are advised to visit the RBI website www.rbi.org.in / HDFC Mutual Fund website www.hdfcfund.com

• Electronic Clearing Service (ECS)

Investors who have opted for the ECS facility of RBI for dividend payment will receive a direct credit of the amount due to them in their mandated account whenever the payment is made through ECS. A separate advice regarding credit of amount(s) via ECS will be sent to the unit holder. It should be noted that while the Mutual Fund will make all efforts, there is no commitment that this facility will be made available to all desirous investors.

Applicants in cities not covered under ECS facility will receive dividend payments, if any by cheques or demand drafts and the same will be mailed to the Unit holders. Please note that the ECS Facility is available only in respect of dividend payments and not in the case of Redemption of Units.

Therefore, the Investors will receive their redemption / dividend proceeds (if any) directly into their bank accounts in the following order:

- In case the bank account of an investor is covered under Direct Credit facility then the payment of redemption / dividend proceeds (if any) will happen via direct credit payout mode only. Investors having these bank accounts will not receive payouts via NEFT/ECS*
- In case the bank account of an investor is not covered under Direct Credit facility but covered under NEFT system offered by the RBI then the payment of redemption / dividend proceeds (if any) shall be effected via NEFT mechanism only.
- The facility for payment of **dividend proceeds**, if any via ECS* shall be affected only in case the bank account of an investor is not covered under the Direct Credit facility or NEFT system.

* available only in respect of dividend payments.

Each of the above facilities aims to provide direct credit of the redemption proceeds and dividend payouts (if any) into the bank account (as furnished in Section 5 of the Application Form) of the Unit holder and eliminates the time lag between despatch of the cheque, its receipt by the Unit holders and the need to personally bank the instrument and await subsequent credit to the Unit holders account. Further, the potential risk of loss of instruments in transit through courier / post is also eliminated. Each of the said facility as a mode of payment, is faster, safer and reliable.

In case the bank account as communicated by the Unit holder is with any of the said banks with whom the AMC has entered into arrangements to facilitate such direct credits or with any of the banks participating in the NEFT System offered by RBI, the AMC shall automatically extend this facility to the Unit holder.

HDFC Asset Management Company Limited / HDFC Mutual Fund shall not be held liable for any losses / claims, etc. arising on account of processing the direct credit or credit via NEFT / ECS of redemption / dividend proceeds on the basis of Bank Account details as provided by the unit holder in the Application Form.

However, if the Unit holders are not keen on availing of any of the said facilities and prefer receiving cheques / demand drafts, Unit holders may indicate their intention in the Application Form in the space provided specifically. The AMC would then ensure that the payouts are effected by sending the Unit holders a cheque / demand draft. In case of unforeseen circumstances, the AMC reserves the right to issue a cheque / demand draft.

HDFC Mutual Fund reserves the right to ascertain the status of such entities with adequate supporting documents.

In order to verify that the PAN of the applicants (in case of application in joint names, each of the applicants) has been duly and correctly quoted therein, the applicants shall attach along with the purchase* application, a photocopy of the PAN card duly self-certified along with the original PAN Card. The original PAN Card will be returned immediately across the counter after verification.

In terms of the Prevention of Money Laundering Act, 2002, the Rules issued there under and the guidelines/circulars issued by SEBI regarding the Anti Money Laundering (AML Laws), all intermediaries, including Mutual Funds, have to formulate and implement a client identification programme, verify and maintain the record of identity and address(es) of investors.

In order to make the data capture and document submission easy and convenient for the investors, Mutual Fund Industry has collectively entrusted the responsibility of collection of documents relating to identity and address of the investor(s) to an independent agency [presently CDSL Ventures Limited ("CVL")] which will act as central record keeping agency ("Central Agency"). As a token of having verified the identity and address of the investor(s) and for efficient retrieval of records, the Central Agency will issue a KYC Acknowledgement Letter (previously known as Mutual Fund Identification Number - MIN* Allotment Letter) to each investor who submits an application and the prescribed documents to the Central Agency.

Investors should note that it is mandatory for all applications for subscription of value of Rs.50,000/- and above to quote the KYC Compliance Status of each applicant (guardian in case of minor) in the application for subscription and attach proof of KYC Compliance viz. 16. Permanent Account Number (PAN)

SEBI has made it mandatory for all applicants (in the case of application in joint names, each of the applicants) to mention his/her permanent account number (PAN) irrespective of the amount of purchase*. Where the applicant is a minor, and does not possess his / her own PAN, he / she shall quote the PAN of his/ her father or mother or the guardian, as the case may be. However PAN is not mandatory in the case of Central Government, State Government entities and the officials appointed by the courts e.g. Official Liquidator, Court receiver etc. (under the category of Government) for transacting in the securities market. HDFC Mutual Fund reserves the right to ascertain the status of such entities with adequate supporting documents.

In order to verify that the PAN of the applicants (in case of application in joint names, each of the applicants) has been duly and correctly quoted therein, the applicants shall attach along with the purchase* application, a photocopy of the PAN card duly self-verified along with the original PAN Card. The original PAN Card will be returned immediately after the counter after verification.

* includes fresh/additional purchase, Systematic Investment.

Further, as per the Notification No. 288 dated December 1, 2004, every person who makes payment of an amount of Rs. 50,000 or more to a Mutual Fund for purchase* of its units should provide PAN.

^ includes fresh/additional purchase, switch, Systematic Investment / Transfer and Dividend Reinvestment/ Dividend Transfer.

Since dividend reinvestment/ transfer of Rs. 50,000 or more qualifies as purchase of units for aforesaid Notification, PAN is required to process such reinvestment/ transfer, failing which dividend reinvestment/ transfer shall be automatically converted into payout option.

Applications not complying with the above requirement may not be accepted/ processed.

Additionally, in the event of any application form being subsequently rejected for mismatch of applicant's PAN details with the details on the website of the Income Tax Department, the investment transaction will be cancelled and the amount may be redeemed at the applicable NAV, subject to payment of exit load, if any.

Please contact any of the Investor Service Centres/ CAMS/ Distributors or visit our website www.hdfcfund.com for further details.

17. KNOW YOUR CUSTOMER (KYC) COMPLIANCE

In terms of the Prevention of Money Laundering Act, 2002, the Rules issued there under and the guidelines/ circulars issued by SEBI regarding the Anti Money Laundering (AML Laws), all intermediaries, including Mutual Funds, have to formulate and implement a client identification programme, verify and maintain the record of identity and address(es) of investors.

In order to make the data capture and document submission easy and convenient for the investors, Mutual Fund Industry has collectively entrusted the responsibility of collection of documents relating to identity and address of the investor(s) to an independent agency (presently CDSL Ventures Limited ("CVL")) which will act as central record keeping agency ("Central Agency"). As a token of having verified the identity and address of the investor(s) and for efficient retrieval of records, the Central Agency will issue a KYC Acknowledgement Letter (previously known as Mutual Fund Identification Number - MIN* Allotment Letter) to each investor who submits an application and the prescribed documents to the Central Agency. Investors should note that it is mandatory for all applications for subscription of value of Rs. 50,000/- and above to quote the KYC Compliance Status of each applicant (guardian in case of minor) in the application for subscription and attach proof of KYC Compliance viz. KYC Acknowledgement Letter (or the erstwhile Mutual Fund Identification Number* (MIN) Allotment Letter) / Printout of KYC Compliance Status downloaded from CVL website (www.cvlindia.com) using the PAN Number. Applicants intending to apply for units through a Power of Attorney (PoA) must ensure that the issuer of the PoA and the holder of the PoA must mention their KYC Compliance Status and attach proof of KYC Compliance at the time of investment above the threshold.

The KYC status will be validated with the records of the Central Agency before allotting units. HDFC Mutual Fund will not be held responsible and/or liable for rejection of KYC Form, if any, by the Central Agency. Applications for subscriptions of value of Rs. 50,000 and above without a valid KYC compliance may be rejected. Provided further, where it is not possible to verify the KYC compliance status of the investor at the time of allotment of units, the Trustee / AMC shall verify the KYC compliance status of the investor within a reasonable time after the allotment of units. In the event of non compliance of KYC requirements, the Trustee / AMC reserves the right to freeze the folio of the investor(s) and affect mandatory redemption of unit holdings of the investors at the applicable NAV, subject to payment of exit load, if any.

* Valid only where investors who have already obtained the erstwhile Mutual Fund Identification Number (MIN) by submitting the PAN copy as the proof of identity.

For this purpose, unit holders are required to give standing instructions to their bankers (with whom HDFC Mutual Fund may have an arrangement from time to time) to debit their bank accounts at periodic intervals and credit the subscription proceeds to the HDFC Mutual Fund bank account. Currently, the arrangement for direct debit facility is with HDFC Bank and ABN Amro Bank. Please contact the nearest Investor Service Centre for updated list. 16. Permanent Account Number (PAN)

SEBI has made it mandatory for all applicants (in the case of application in joint names, each of the applicants) to mention his/her permanent account number (PAN) irrespective of the amount of purchase*. Where the applicant is a minor, and does not possess his / her own PAN, he / she shall quote the PAN of his/ her father or mother or the guardian, as the case may be. However PAN is not mandatory in the case of Central Government, State Government entities and the officials appointed by the courts e.g. Official Liquidator, Court receiver etc. (under the category of Government) for transacting in the securities market. HDFC Mutual Fund reserves the right to ascertain the status of such entities with adequate supporting documents.

In order to verify that the PAN of the applicants (in case of application in joint names, each of the applicants) has been duly and correctly quoted therein, the applicants shall attach along with the purchase* application, a photocopy of the PAN card duly self-verified along with the original PAN Card. The original PAN Card will be returned immediately after the counter after verification.

Since dividend reinvestment/ transfer of Rs. 50,000 or more qualifies as purchase of units for aforesaid Notification, PAN is required to process such reinvestment/ transfer, failing which dividend reinvestment/ transfer shall be automatically converted into payout option.

Applications not complying with the above requirement may not be accepted/ processed.

Additionally, in the event of any application form being subsequently rejected for mismatch of applicant's PAN details with the details on the website of the Income Tax Department, the investment transaction will be cancelled and the amount may be redeemed at the applicable NAV, subject to payment of exit load, if any.

Please contact any of the Investor Service Centres/ CAMS/ Distributors or visit our website www.hdfcfund.com for further details.

17. KNOW YOUR CUSTOMER (KYC) COMPLIANCE

In terms of the Prevention of Money Laundering Act, 2002, the Rules issued there under and the guidelines/ circulars issued by SEBI regarding the Anti Money Laundering (AML Laws), all intermediaries, including Mutual Funds, have to formulate and implement a client identification programme, verify and maintain the record of identity and address(es) of investors.

In order to make the data capture and document submission easy and convenient for the investors, Mutual Fund Industry has collectively entrusted the responsibility of collection of documents relating to identity and address of the investor(s) to an independent agency (presently CDLS Ventures Limited ("CVL")) which will act as central record keeping agency ("Central Agency"). As a token of having verified the identity and address of the investor(s) and for efficient retrieval of records, the Central Agency will issue a KYC Acknowledgement Letter (previously known as Mutual Fund Identification Number - MIN* Allotment Letter) to each investor who submits an application and the prescribed documents to the Central Agency. Investors should note that it is mandatory for all applications for subscription of value of Rs. 50,000/- and above to quote the KYC Compliance Status of each applicant (guardian in case of minor) in the application for subscription and attach proof of KYC Compliance viz. KYC Acknowledgement Letter (or the erstwhile Mutual Fund Identification Number* (MIN) Allotment Letter) / Printout of KYC Compliance Status downloaded from CVL website (www.cvlindia.com) using the PAN Number. Applicants intending to apply for units through a Power of Attorney (PoA) must ensure that the issuer of the PoA and the holder of the PoA must mention their KYC Compliance Status and attach proof of KYC Compliance at the time of investment above the threshold.

The KYC status will be validated with the records of the Central Agency before allotting units. HDFC Mutual Fund will not be held responsible and/or liable for rejection of KYC Form, if any, by the Central Agency. Applications for subscriptions of value of Rs. 50,000 and above without a valid KYC compliance may be rejected. Provided further, where it is not possible to verify the KYC compliance status of the investor at the time of allotment of units, the Trustee / AMC shall verify the KYC compliance status of the investor within a reasonable time after the allotment of units. In the event of non compliance of KYC requirements, the Trustee / AMC reserves the right to freeze the folio of the investor(s) and affect mandatory redemption of unit holdings of the investors at the applicable NAV, subject to payment of exit load, if any.

* Valid only where investors who have already obtained the erstwhile Mutual Fund Identification Number (MIN) by submitting the PAN copy as the proof of identity.
