Further, in the case of Individuals and HUFs, being resident, where taxable income as reduced by long-term capital gains, is below the basic exemption limit, the long-term capital gains will be reduced to the extent of the shortfall and only the balance long-term capital gains will be subjected to income tax at 20% (plus surcharge) or 10% (plus surcharge) as the case may be.

● Section 94(8) provides that if a person buys or acquires units ("the original units") of a

mutual fund within a period of three months prior to the record date fixed for allotment of bonus units and sells the original units within nine months from the date of allotment of bonus units then the loss arising on such sale or transfer shall be ignored. As per circular no. 728 dated October 1995 by CBDT, in the case of a remittance to a country with which a Double Taxation Avoidance Agreement (DTAA) is in force, tax should be deducted at the rate provided in the Finance Act of the relevant year or at the rate provided in DTAA whichever is more beneficial to the assessee.
